WHAT IT MEANS
When you have dental work done, you want the best. Poor dentistry is worse and more damaging to your health than none. You would not go to an unskilled physician to have an arm set if it were broken. Why go to a dentist of whose reliability and skill you are not sure?
OUR 10 YEARS' WRITTEN GUARANTEE on all dental work is insurance that you get the best treatment that skill and up-to-date methods can give.
In our years of practice in this city we have done work thousands of times and built up a large business. We cannot afford to jeopardize our reputation by unsatisfactory dentistry or making statements that we do not mean.
In every business people make many wild claims and statements without regard for the truth, but when we give a 10 years' guarantee we mean just what we say, and when you entrust the care of your teeth to the Yale Dentists you are assured perfect work that will give lasting satisfaction.
